

NOW Ministries, Inc. Leadership Camp

Dear Parent, or Guardian:

Your child or young person is about to embark on the spiritual journey of their lifetime. They will see, hear and experience things they've never seen or heard before. They will be loved and cared for as sons and daughters of the King, Jesus Christ. We here at NOW Ministries, Inc. know how precious each one of these kids are and we will not take this responsibility lightly. Having said all this, we ask that you pray with your child before they leave to come to camp.

We ask that you discuss with them what godly, Christian character looks like and review with them the Golden Rule of do unto others as you would have them do unto you. We ask that you be praying for them during the week that they are at camp, praying and asking God to touch them and do what only He is able. And pray for the staff, that we may be empowered from above to teach, train and equip your child in the things of God. Pray for their safety and the safety of all the children and workers. Pray that no one is harmed or gets sick in any way.

Pray that no one gets homesick or sad, but that God wipe away every tear and hurt. Ask that angels guard, guide and direct every aspect of this camp experience for us all. Pray that the children and young people have the time of their lives, that they connect with God and encounter Him for themselves and from all the staff at NOW Ministries, Inc. we say thank you. Thank you for giving us the joy of pouring into your kids for a week of fun, excitement and change.

In the Love of Jesus,
